

SLIPPERS RANGE

Softness and comfort

Create a cosy feeling of softness and comfort in your guests with the slippers of MOSKOV&SON. Wide range of slippers fit for any occasion and all types of accommodation are constantly available from stock.

Pick any of the models with non-slip sole to prevent accidental slipping and safeguard your guests against unwanted accidents around the pool or in the SPA area.

Provide warmth and comfort with the assorted models with thick insulating rubber sole – an excellent solution for the guestroom and bathroom.

Make your slippers unique – an integral part of your brand – with the variety of customization solutions, ranging from plentitude of fabrics, dye colours and piping to various logo printing techniques and embroidery.
